APOLOGIES – SB

MINUTES – the Chairman ran through the minutes of the meeting held on 3rd November

MATTERS ARISING

- LG reported that no major changes had been made to the website. Just updates.

PRACTICE REPORT

FLU VACCINATIONS

- The Saturday flu vaccination clinics had proved to be a great success, in no small way thanks to the PPG. See attached table for PCN performance. The midweek clinics held in the past had overloaded the nurses.
- Over 100 flu vaccines left. Can be returned from end March and credited.
- Failure to meet the targets affects PCN funding.
- The plan for flu vaccinations this year is to repeat 2021 – Saturday clinics, then small midweek clinics.

COVID

- Little happening at Sandal Rugby Club at the moment.
- Vulnerable 4-11 year olds being vaccinated from next week.
- Maybush staff still on call to assist at covid vaccinations.
- It is expected that most covid restrictions will end in March, but masks will still be mandatory around the practice.
- Extended hours were suspended through the pandemic. This will restart from April with one Saturday morning per month.
- Audio and video consultations are to continue. There was some debate about their popularity/unpopularity among patients.

STAFFING

- Emma is remaining at the practice.
- Recruitment is needed in the reception
- Dr Bora is leaving in March to become a partner elsewhere.
- Dr Mir and Dr Javali are no longer at Maybush.
- Dr Harris and Dr Siddiqi are to continue at the practice.

PLANS FOR 2022

Nothing organised for 2022 so far. Some concern was expressed about organising events at the practice when so few patients attend nowadays. The Chairman felt this should be considered more thoroughly at the next PPG meeting and everyone was asked to give this some thought. **ALL**

ANY OTHER BUSINESS

Re the timing of future meetings. It was felt that 4pm would be a good time to meet. In March, we need to decide on the best day of the week to meet. **ALL**

NEXT MEETING - will be held at the practice on **Wednesday 2nd March at 4.00pm**

The meeting closed at 16.40.
